## ⌘ ENABLING LEGISLATION ⌘

In 1994, the Virginia General Assembly passed legislation resulting in the creation of local community criminal justice boards (CCJBs), which are comprised of key criminal justice and community stakeholders. CCJBs act as a bridge between federal, state and local criminal justice agencies and the communities they serve. Alexandria's CCJB serves the City of Alexandria, Virginia.

As further mandated by the General Assembly, each CCJB will develop and implement a strategic and/or action plan. This document details the Alexandria CCJB's Strategic Plan; it updates the 2008—2010 Plan and identifies the CCJB's strategic goals for 2019-2025. This Plan will be reviewed, at a minimum, once each calendar year to determine status and need for revision as a result of successfully meeting goals, and/or changes in policy, operating environment, laws, local issues, etc.

Pursuant to Virginia Code Section 9.1-180, the responsibilities of the CCJB include the following:

- 1) Advising on the development and operation of local pretrial services and community-based probation programs and services for use by the courts in diverting offenders from local correctional facility placements;
- 2) Assisting community agencies and organizations in establishing and modifying programs and services for offenders based on an objective community needs and resources;
- 3) Evaluating and monitoring community programs, services, and facilities to determine their impact on offenders;
- 4) Developing and amending any criminal justice plan/project;
- 5) Reviewing the submission of all criminal justice grants regardless of the source of funding;
- 6) Facilitating local involvement and flexibility in responding to the problems of crime in the community;
- 7) Doing all things necessary or convenient to carry out board's responsibilities.

## ⌘ MEMBER PARTICIPATION & OBLIGATIONS ⌘

The success of Alexandria's CCJB depends upon the leadership of its members. Every CCJB member has a specific leadership role, which includes furtherance of this Plan. Some roles are specifically delineated in the Bylaws of the CCJB; others are less formally delineated but understood via the organizational culture. All members of the Board are expected to:

- attend all meetings or ensure a proxy attends in the event of an unexpected absence;
- notify the Board, in advance, if unable to attend;
- read/review all correspondence and provide any requested input prior to meetings;
- if designated, act as liaison with specific government and/or community entities, identify issues and status, provide updates and /or lead discussions on related topics at CCJB meetings.

Meetings are held quarterly. In March (spring), the CCJB meets at 4:00pm. In May (summer), the CCJB meets at 8:00 am (joint session with Health & Safety Committee ["HSC"]). In September (autumn), the CCJB meets at 8:00 am (joint session with HSC"). In December (winter), the CCJB meets at 4:00 pm and elections are held at this meeting.

## ☞ POSITION-SPECIFIC DUTIES ☞

Specific member roles, as well as their term limits, are defined below. Elections occur at the December meeting.

### **CCJB Chair**

- serves as the presiding officer
- promotes member commitment towards accomplishing goals
- monitors accomplishment status of the CCJB
- encourages meeting attendance
- provides public notice through the City's Office of Citizen's Assistance and/or via Council of Clerk's Office
- encourages dedication of agency resources by members
- assigns Committees and their membership
- facilitates participation at the CCJB meetings
- presents annual report on behalf of the Board.

### **CCJB Vice Chair**

The Vice Chair's leadership role is similar to the Chair's. The Vice Chair must perform all the Chair's leadership duties in his/her absence.

### **CCJB Secretary**

The Secretary is responsible for distributing meeting agendas and ensuring meetings are effectively organized. The Secretary also maintains accurate records of each meeting (meeting minutes) and any presenting agency reports. Meeting agendas and minutes are reviewed and approved at the commencement of every CCJB meeting and are collated into the annual report submitted to City Council.

### **Citizen Members**

Community input from citizens is provided through four members selected by City Council through a written application process. Their participation is limited to one two-year term.

## **Committees / Committee Chairs**

As noted in the Membership section above, all members provide expert input/questions, guidance and support for all criminal-justice related matters, programs and activities in the City. Members are asked to please read ahead/are aware of and prepared to raise pertinent issues with the CCJB, attend the meetings, participate in discussions and give input/direction or reports as needed.

However, depending upon the scope and scale of the issue, it may be necessary to establish a Committee from time to time. Unlike past CCJB Committees which focused on broad issues (e.g., Strategy Committee, Sex Offender Registration Compliance Committee, Standard Operating Procedure Committee, Community Service Committee and Drug Court Committee), any new Committees shall focus on well-defined, specific issues/topics. When designated, a Committee Chair coordinates and promotes the accomplishment of goals related to the Committee and monitors and reports upon the status of the issue/resolution.

Presently, one standing subcommittee of the CCJB exists: The Jail Diversion Subcommittee. This subcommittee was created in 2008 to provide oversight and direction to City-wide initiatives aimed at helping persons with mental illness and substance use disorders live law abiding lives in the City. The following agencies are represented on the Committee: Commonwealth Attorney's Office (Chief Deputy Cathryn F. Evans); Department of Community and Human Services (Michele Albert); Police Department; Sheriff's Office; Public Defender's Office; and, Probation and Parole. This subcommittee meets independently and productively.

## CRIMINAL JUSTICE PLAN 2019—2025

**Alexandria Community Criminal Justice Board  
Annual Report  
July 2019 – June 2020**

**Summary of Accomplishments**

The mission of the Alexandria Community Criminal Justice Board is to enhance and promote the safety of City of Alexandria residents and visitors through the most effective and efficient administration of criminal and juvenile justice services. Within these guidelines, the Alexandria Community Criminal Justice Board membership completed the following activities during its 2019/20 session.

**Alexandria Community Criminal Justice Board Policy and Membership  
Accomplishments**

- Membership remained steady throughout the year. During this fiscal year we maintained a quorum for every meeting. Specific designees were also identified to report on behalf of several *Ex Officio* members to ensure strong attendance.
- The board continues to incorporate information from the CCJB sub-committee meetings and will have a report at main meeting.
- The board agreed that the role of chair can be held by any board member not just citizen board members. This assists to include/capture all criminal justice agencies and projects/endeavors.
- The board has agreed to meet jointly with the Health and Safety Committee (H&SC) twice a year. The board will also hold separate meetings twice a year.

**Alexandria Community Criminal Justice Board Member Activities**

- Informative presentations provided to the Board from the Alexandria Treatment Court (drug court), Volunteer Alexandria and the Juvenile & Domestic Relations Court Racial & Ethnic Disparities (juvenile justice pilot) Project. The Strategic Plan revised and adopted; joint attendance with H&SC accomplished, which resulted in more efficient and robust meetings (end of 2019 and summer of 2020).

**Program and/or Legislative Accomplishments**

- The board updated/revised the Criminal Justice Strategic Plan -2025. The process included an audit of membership and identified the greatest weakness of this board, which is that it has no funding.

Note that this decrease <i>may</i> be in part because of pandemic restrictions on businesses and changes in individuals' behavior as a result of COVID-19. This may increase as COVID-19 restrictions lighten.
Liquor Law Violation	0	8	7	8	8	3	1	3	6	3	4	4	At this time last year there were 41 Liquor Law Violation arrests, compared to 13 in 2021, which represents an 68.3% decrease in 2021. This may increase as COVID-19 restrictions lighten.
